vocate concentration camps for man fellowships for a year's study all children who did not support
their parents. but neither the let- ... la embry, eugenia harper, sybil blair, jean william, miss margar-
jim crow guide to the u.s.a. - muse.jhu - conquest of the americas, there were nearly a million
native indians living in what is now the united states. far from permitting this number to increase, the
white man has vigorously pursued-both as individual enterprise and national policy-a genocidal
campaign expressly aimed, until quite recently, at the effective extermination of
