notes on revelation - planobiblechapel - 2019 edition dr. constable's notes on revelation 3 lists over 500 old testament passages.1 despite all these allusions, however, there are no formal quotations from the old testament. **synonyms of old testament - the ntslibrary** - <http://216.67.227.182/~bcentre/ot/synot/syot01ml> passages of scripture. thus even under roman rule the door of controversy is practically left open.
